1. Introduction

Educ8 Training Group ("ETG") is one of the largest independent training providers in England and Wales. All companies within the ETG group uphold the same company Vision, Mission and Core Values and follow our group policies and procedures.

At the date of this policy these companies are:

- Educ8 Training Group Limited, registered number 10865705.
- Haddon Training Limited, registered number 04773490.
- Aspire and Learn Ltd, registered number 08784755.
- Educ8 Ltd, registered number 05059754.

Any reference to "ETG" throughout this policy includes all the companies named above.

For the purpose of this policy the reference to "Funding Bodies" includes the Welsh Government/Medr, DfE/DWP and local authorities.

Whilst this is a group policy, the operational delivery of support differs by organisation:

- Haddon Training (England): Operates under SEND legislation, EHCP frameworks and DfE apprenticeship funding rules, with strict evidencing and monthly ALS requirements.
- Educ8 and Aspire2Be (Wales): Operate under the ALN framework, Welsh Government/Medr funding, and a more holistic, person-centred approach using ILPs, WEST assessments and outcomes-based review.

ETG ensures these differences are clearly understood and applied, so that all provision remains compliant with the relevant national legislation and funding expectations, while maintaining a consistent commitment to inclusion.

ETG is committed to providing an inclusive learning environment where all learners, including those with Special Educational Needs and Disabilities (SEND) and Additional Learning Needs (ALN), are supported to achieve their full potential.

2. Purpose

The purpose of this policy is to:

- Access Arrangements and Special Considerations Policy

4. Impact on the Learner

Implementation of this policy ensures:

- Fair and inclusive access to learning and assessment
- Removal of barriers to participation
- Appropriate support and reasonable adjustments
- Improved learner confidence, engagement and achievement

5. Definitions

SEND/ALN: Learners who require additional support due to a learning difficulty or disability.

Additional Learning Support (ALS): Targeted support provided to remove barriers and support learner progress.

Reasonable Adjustments: Adjustments made to ensure learners are not disadvantaged, in line with the Equality Act 2010.

EHCP (Education, Health and Care Plan): A statutory document outlining a learner's needs and required support.

6. Legal and Regulatory Framework

ETG operates across England and Wales, and recognises that SEND / ALN legislation, terminology and funding requirements differ significantly between nations, particularly in relation to funding models, evidencing requirements and statutory frameworks.

For Haddon Training (England), this includes adherence to DfE apprenticeship funding rules, SEND legislation, and requirements for formally evidenced Additional Learning Support (ALS), including clear audit trails and regular (monthly) review of support.

For Educ8 and Aspire2Be, this includes adherence to Welsh Government/Medr funded provision, ALN identification through initial assessment (including WEST and ongoing review), and delivery of support that is learner-centred, outcomes-focused and evidenced through ILPs and regular progress monitoring.

England (Haddon Training)

Provision delivered by ETG Training follows:

- Equality Act 2010
- SEND Code of Practice (England)

This includes the use of:

- SEND terminology

- Educ8 and Aspire2Be (Wales): Apply a person-centred ALN approach, using initial assessment (e.g. WEST), ILPs, ongoing progress reviews, and outcome-focused support rather than a formal graduated cycle model.
